The image shows a mobile application interface for 'POKEFRESH'. At the top, the status bar displays '06:20 PM' and signal icons. Below the status bar, the app title 'POKEFRESH' is prominently displayed in a large, bold, black font. Underneath the title, a subtitle 'ORDER CONTACT ABOUT ?' is visible. The main content area is divided into two sections. The first section, titled 'DELIVERY INFO', contains several input fields: a single-line field for 'PHONE NUMBER', two side-by-side single-line fields for 'FIRST NAME' and 'LAST NAME', and two side-by-side single-line fields for 'STREET ADDRESS' and 'APT #'. The second section, titled 'CREDIT CARD INFO', contains three input fields: a single-line field for 'CREDIT CARD NUMBER', and two side-by-side single-line fields for 'EXP DATE' and 'CVV'. At the bottom of the form, there is a large, circular button with the text 'PURCHASE' inside it. The entire interface is enclosed in a rounded rectangular frame that mimics a smartphone screen.

Ordering Process

A vertical promotional poster for POKEFRESH. The background is a gradient from dark grey at the top to bright pink at the bottom. The top section is dark grey with the POKEFRESH logo in pink and orange. Below the logo are links for ORDER, CONTACT, and ABOUT, with a question mark icon. The main section is a bright pink gradient with white text for the offer. The bottom section is a darker pink gradient with a yellow circular button for ordering. Decorative wavy lines in pink and orange are at the top and bottom.
